

Supply list for Blackletter Variation with Reggie Ezell

-Pen handle

-Writing fluid of your choice (Moon Palace Sumi is excellent)

-Nibs, sizes: 5 mm

See attachment "Nib Equivalency Guide" to select brand of nib you might use:

eg. Brause, Tape, Mitchell, Speedball, Pilot Parallel Pen

You will have limited table surface in your home setup for a Zoom class, preventing you from using a slant board. You will probably be working flat. That means you would do well to have a reservoir on your nib so that ink does not flood out of it uncontrollably. You may want to view this short video:
